F.D.I. in power sector

*259. SHRI SATISH PRADHAN: Will the Minister of POWER be pleased to state:

(a) whether union government have taken or propose to take any steps for increasing Foreign Direct Investment in power sector with a view to eliminate the gap between demand and supply of power in the country; and

(b) if so, the details thereof?

THE MINISTER OF POWER (SHRI SURESH PRABHU): (a) and (b) The policy to attract and encourage greater investment in the power sector through private sector participation, including Foreign Direct Investment, was announced in 1991 in the background of inability of Government alone to mobilize adequate financial resources given the highly capital intensive nature of the sector and the large incremental capacity addition requirements. The two part tariff notification issued by Government of India (GoI) on 30.3.1992 in exercise of powers conferred by sub-section (2) of Section 43A of the Electricity (Supply) Act, 1948, allows a return of upto 16% on equity (paid up and subscribed) at normative levels of operation *i.e.* 68.5% Plant Load Factor (PLF) to generating companies in the private sector for power projects set up by them. For generation beyond this level, incentive at negotiated rates subject to a ceiling of 0.7% of equity (paid up and subscribed), for each percentage increase in PLF is allowed. 100% foreign equity participation is permitted in generation, transmission and distribution on automatic approval basis, without any upper limit.
